

# Fun Run

*By Priscila Salazar*

*7th Grade Events Writer*

A new way of fundraising for our sport activities at Grimmway Academy, is a Fun run which is being planned from the campstone owned by Mr. Devora (physical education instructor) and by Ms. Hargis (English teacher).

The Fun run will be held on Saturday May 2, 2020 at 9:00 AM Pacific time. The theme will be Cinco de Mayo. Currently, many children in the Fun Run project are working on the computers to form a slide show of the best ideas made for a future Fun Run. These students will help decide the details of the next event, such as: the route they will take, what type of games will be played, formation of blockage on the streets, etc.

The best slide show presented, will be chosen to represent Grimmway Academy's fundraiser. All funds will go to support Grimmway Academy Sports.

Parents and students can earn volunteer hours for helping with the set up. Ask Mr. Devora or Ms. Hargis for more details.
